

MAIN STUDY - ROUND 4  
COMMUNITY COMPONENT  
CPS. CHARGE/PAYMENT SUMMARY

Events that do not have any statement information (NS1=1) will be allowed to advance one round before they are taken to the No Statement (NS) questions. For example, events collected in Round 6 that do not have any statement information by Round 7 will be taken to the No Statement series in Round 7, events collected in Round 7 without statement information in Round 8 will go to the NS questions in Round 8 and so on. Note that this specification affects only Reason 1 for entering the CPS. For exiting sample, any event added during the SP's final round will be "finalized" during NS. If necessary, the program will skip to the appropriate CPS questions as described by the specifications. Charge bundles with any other legitimate "Reason" for entering CPS will do so as described below.

Turn "statement expected" flag off if charge bundle is 1 round old.

Events or charge bundles reported in previous rounds will be included in the Charge/Payment summary if at least one of the following conditions is met from a previous round (if more than one condition met, go in priority order 1-8):

1. The respondent was expecting to receive a Medicare or insurance statement (NS1=1);
2. (Event or bundle from No Statement): the total charge (NS2) was greater than \$1.00 or unknown and no payment had been made (NS19=2, -7 or -8), or (CPS6=2 and CPS10=1 or -8) or (CPS6=-7 or -8);
3. (Bundle from Statement including PM-only bundles): the amount remaining was greater than \$1.00 and no payment beyond Medicare had been made (ST58=2, -7 or -8 or ST61=2, -7 or -8; or (CPS7=2 and CPS10=1 or -8) or (CPS7=-7 or -8);
4. (Event or bundle from No Statement): some payment of known amount had been made, but the total of all payments was less than the total charge by more than \$1.00 or 2% of the total charge, whichever is greater.
5. (Bundle from Statement including PM-only bundles): some payment other than from Medicare of known amount had been made, but the total of all such payments was less than the amount remaining after the Medicare payment by more than \$1.00 or 2% of the amount remaining, whichever is greater.
6. The SP/family made some payment greater than \$5.00 and reimbursement was expected (ST67=1 or NS25=1 or CPS14=1).
7. The SP/family made some payment greater than \$5.00 and did not know whether reimbursement was expected (ST67=-8 or NS25=-8).
8. Event added through Comments during previous round and NS1= 9.

Further, to be included in the CPS, a previous round event of any type (including prescribed medicines, ostomy supplies, Depends, and bandages) must not have been bundled during the current round charge series.

If any number of prescribed medicine, ostomy, Depends, or bandages purchases is bundled in a previous round ST or NS, only the number of purchases specifically bundled should come into the CPS. For example: 5 of 10 Tylenol purchases were bundled in a previous round and the purchases meet a condition for inclusion in the current round CPS, only the 5 bundled purchases should be brought into the current round CPS.

Because bundles or events are defined by a previous round's ST, NS, or CPS series, IU stays, IP stays with "95" in the month field in the previous round, and OM alterations where OM30=95 in the previous round are not eligible for the CPS series.

Sort bundles by reason for inclusion only. If more than one reason for inclusion, include the event or bundle under the first reason listed.

Use displays from NS series for CPSINTRO and EVENT headers for each event type.

Do not allow Interrupt during CPS series.

Events marked by the interviewer as "deleted" in any part of any summary, including the Utilization summary, the Home Health summary, the OM rental summary, or the PM summary, should not be included in the Charge/Payment Summary.

BOX CPS1	IF ANY PREVIOUS ROUND EVENTS NOT LINKED TO CHARGES, GO TO CPSINTRO. IF ALL PREVIOUS ROUND EVENTS LINKED TO CHARGES, GO TO NEXT SECTION.
